CLASS DESCRIPTIONS

Sacred Intensive ~ Psalm 139

Miss Mallory will be working with students on the meaning of Psalm 139. As teenage girls question who they are suppose to be and how they are defined by the world, Psalm 139 and this camp reminds us that God has defined us as his beautiful daughters and he has a purpose for each and every one of us. Dancers touring to PROJECTDANCE must sign-up for the rehearsals.

Jazz Intensive with Eclectic Edge Ensemble

This is a true pre-professional experience! Dancers will have a new technique class each day - Jazz, African, Swing, Lindy, Latin & Modern dance from EEE Company members. Dancers will also learn the history of jazz dance, injury prevention tips, and how to prepare for an audition. Dancers will learn a piece from the Artistic Director Karis Sloss that will be performed at 11:30am on the final day. Dancers participating in the advanced session are invited to perform the piece they learn this week in EEE's production at Ritz Theater in Minneapolis July 14-17. There will be additional rehearsals for this performance at no additional fee. Students wanting to perform will need to be available the entire week of July 11th for tech week in the theater. You do not have to commit to the performance to participate in this awesome intensive! Please let us know by the first day of the Intensive if you plan to participate in the performance.

Pointe

Dancers interested in joining Pointe this fall are required to take the Pre-Pointe class and be approved by a ballet instructor to begin.

Performing Arts Assessment Intensive

All current and interested Performing Arts students will be assessed and placed during the Performing Arts Assessment Intensive. The intensive is mandatory for all students. Please register for the level you are currently in. Dancers will have Ballet, Jazz, Tap, and Sacred Dance within their three hour session. Both technique and choreography will be taught. The week will conclude with an audition for final placement for the 2011/2012 dance year.

REMINDER

All Performing Arts students are required to take the Performing Arts Assessment Intensive. In addition to the Assessments, students are required to take 2 other Intensives or Ongoing classes!
