

PERFORMING ARTS CHRISTMAS SHOW 2018!

We are so excited to have our first Performing Arts Christmas Show at Grace Church! Our goal in creating this production is to offer a meaningful performing opportunity for our students and to share and celebrate the Christmas Story. Of course it takes rehearsal time to produce an excellent show but we hope we have organized this show in such a way that it does not take too much additional time outside of your regularly weekly classes.

Please let us know of any rehearsal conflicts ASAP. If students are unable to attend show week, Dec. 6-8th, they will not be able to perform in the Christmas Show. If students are unable to attend 4 or more of the rehearsals above then they will not be in the Opening & Closing numbers but will be still able to perform in their levels' pieces rehearsed in class.

Thank you,
Sarah Steichen Stiles
Christmas Show Artistic Director
