Welcome!

We offer a wholesome environment where students are encouraged to dance with their heart, mind, and spirit. We value the dancer as a whole person and exercise grace in and out of the classroom. Our music, costuming, and choreography are all family-friendly, modest and age appropriate.

Quality instruction begins with our qualified staff. Our dance teachers are college educated with most holding bachelors degrees in dance and many are actively performing professional dancers in the Twin Cities. Their performance experience, continuing educational studies, and higher education degrees inform the classes they teach to instill and inspire excellence out of each student. Our teachers know dance, love dance, and enjoy sharing that joy with their students.

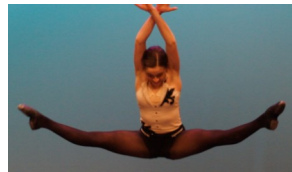

Dance encourages self-confidence and poise that carries young girls and boys successfully through all avenues of life. Whether you are taking dance for fun or want to dance in a college dance program, we invite you to join us in discovering the joy of dancing.

Our Programs

Ages 18mos – 18 & Adult

Our **Recreational Classes** are designed for the student looking for a fun and welcoming environment to learn the foundations of dance. Students may take 1 or more classes a week in a variety of styles including Ballet, Jazz, Tap, Hip Hop, Musical Theater, Sacred Dance and Creative Dance. All classes will culminate with a performance in costume at our Spring Dance Recital in June. Recreational Classes are offered for ages 18mos thru adult.

Ages 6—18

Our **Performing Arts** classes are designed for the more serious student looking for a higher level of commitment to their growth as a dancer. It is an opportunity for our dancers to participate in a more disciplined program and have numerous performing opportunities. We offer Ballet, Pointe, Jazz, Tap, and Sacred Dance. We also have dance companies available exclusively for Performing Arts Students. Different from our Recreational Classes, Performing Arts students perform at least twice annually in our Performing Arts Showcase and the Spring Dance Recital in June. Performing Arts students are required to take a minimum of 3 classes per week. **Students may participate in this program by audition only.** Auditions take place in August by taking our Performing Arts Assessment Intensive. Dancers who are accepted in to Performing Arts will then be placed in the appropriate class level.
