PERFORMING ARTS CLASS DESCRIPTIONS

Performing Arts Summer Intensives

All Performing Arts Intensives will be taught by PSOD teachers as well as Twin Cities dance professionals! These intensives will challenge your dancer's technique and improve their ability to learn choreography quickly and precisely.

PA Tap Intensive:

Jump into the rhythm of summer with a tap focused PA Intensive. While working on the basics of foot articulation, keeping time and rhythm, you'll be challenging your precision and accuracy in tap sequencing throughout the four days. Summer is a great time to home in on your technique to support your growth throughout the year. Tap is a staple part of PSOD's PA program so join in the fun and dedicate some time to developing your tap vocabulary!

PA Jazz & Contemporary Intensive:

Do you need to work on your pirouettes? Leaps? Expansion of movement? The PA Jazz & Contemporary Intensive is a great opportunity and will focus on building core strength, stamina as well as challenging your precision and accuracy in movement and emotion. Come prepared to move quickly and fully throughout this four-day intensive. Classes will utilize endurance exercises as well as progression movements to build and promote incremental growth in flexibility, sequencing and more.

PA Ballet & Sacred Intensive:

Ballet is the foundation and building blocks of so many dance genres. Whether you're seeking more full carriage of the arms, rotation through the hips or stability and grace in your adagio the PA Ballet Intensive is a fundamental part of PSOD's summer offerings. Also, continue developing your self-expression and connection to your faith by adding the PA Sacred Intensive to your summer schedule. These popular intensive bridges together powerful technique and opportunity to express your faith through dance.

Pre-Pointe & Pointe Assessment

Dancers in current Levels 3 or above who are interested in joining Pointe this fall are required to take the Pre-Pointe class and be approved by a ballet instructor to begin. This class includes strength training, strength assessment and a packet of information on the history, art & technique of Pointe. Dancers already on pointe will be assessed for their pointe placement during the week of Boot Camp.

Performing Arts Boot Camp

Boot Camp is mandatory for all dancers looking to join our Performing Arts program. The dancers will be challenged to progress in various styles and bond with their fellow dancers leading up to the Performing Arts Assessment the following week.

Performing Arts Assessment Intensive

This intensive is mandatory for all students. Please register by your current age & leveling ability. Ballet, Jazz, and Tap technique and choreography will be taught. The week will conclude with an audition for final class level placement for the 2020-2021 dance year. The dancers will receive a written evaluation and feedback form after the PA Intensive Assessment.
